

Just When You Need It—A Data-Driven Decision Making Workshop

Data-Informed Action Planning	
Intended Audiences:	Leadership Teams, School Improvement Teams, PLCs, and Full Staffs
Time:	<p>One Day or Two Half Day Options Available*</p> <p>* This workshop is designed for schools that have already completed the data analysis process. If your school has not done this step, you might want to consider adding the following workshops to this one:</p> <ul style="list-style-type: none"> ➤ <i>An Introduction to the Inquiry-Based Data-Driven Decision Making Process</i> ➤ <i>Collecting the Correct Data for the Task</i> ➤ <i>Putting Our Assumptions on the Table</i> ➤ <i>Conducting a Purposeful Data Analysis</i> ➤ <i>Creating Standards-Based Common Formative and Summative Assessments</i> ➤ <i>Data-Informed Program Monitoring and Evaluation</i>
Workshop Overview:	In this interactive workshop participants will use their data analysis and their student achievement SMART Goals to create a detailed action plan for their team, school, or district. The plan will include action steps and a ways to continually monitor the plan’s success at raising student achievement.
Workshop Outcomes:	<ul style="list-style-type: none"> ➤ Participants will use their data and student achievement goals to create a strategic action plan. ➤ Participants will create a plan for putting the systems in place that will allow them to continually monitor their plans success at positively impacting the learning of every student in the school or district.
Onsite Coaching	Given the fact that research “emphasizes that coaching is a prerequisite for the implementation of new skills or strategies” (Showers, Joyce, & Bennett, 1987 in DuFour & Berkey 1995) and “providing teachers with ongoing support after the initial training is critical to the success of any innovation” (DuFour & Berkey 1995), the TEP team offers on site coaching to help your team successfully implement your plan. Contact us for more information.
Principal Coaching	In addition, TEP recommends administrative or principal coaching and/or consulting around this goal. Our administrative coaches will work with your district and building administrators to help them envision what a successful implementation process should look like at both the district and building levels and help your administrative team to put the systems in place to make

Just When You Need It—A Data-Driven Decision Making Workshop

	successful implementation a reality.
Extended Offerings	Research shows that it takes at least five years for a system to become institutionalized. Therefore, TEP offers multi-year professional development packages. We feel this is the best possible approach for both of us. Therefore, we provide additional services at no additional cost if you select this option. To learn more about this and other offerings please Contact Us.
