

## **Data-Driven Differentiated Instruction Seminar**

### **A Data Seminar Packages**

# **Seminar Packages:**

All of TEP's seminars are team-based professional development packages that are designed to help your team work effectively together to meet its specific needs. This package includes eight in-services given at your site throughout the year.

In between the eight days of in-services, TEP coaches will be working with your team members both collectively and individually to help insure a smooth implementation and execution of your program.

See the following pages for specifics:

## Data-Driven Differentiated Instruction Seminar

### A Data Seminar Packages

<b>Data-Driven Differentiated Instruction Seminar</b>	
<b>Intended Audiences:</b>	District and School leadership Teams, School Improvement Teams and Special Service Teams who wish to focus on differentiated instruction.
<b>Service Overview:</b>	This set of seminars is perfect for any school that is engaged in differentiated instruction. Differentiated instruction should always begin with data-informed decisions.
<b>Key Elements:</b>	This seminar package involves eight days of professional development workshops given throughout the year along with a mutually agreed-upon number of days of onsite and team coaching during the implementation and evaluation process. Because these seminars are meant to meet your specific needs, the number of days of service and the focus of each day's service may differ, but the basic model is as follows:
<b>Seminar Sessions</b>	<ul style="list-style-type: none"> <li>➤ <b>Day One:</b> An overview of <i>Inquiry-based Data Driven Decision Making</i></li> <li>➤ <b>Day Two:</b> Putting the Systems in Place to Create an Effective Data Inquiry Team</li> <li>➤ <b>Day Three:</b> Establishing Student Achievement Goals, Identifying the Essential Questions Related to the Goals, and Organizing Data Collection to Answer the Questions</li> <li>➤ <b>Day Four:</b> Conducting a Purposeful Data Analysis</li> <li>➤ <b>Day Five:</b> Creating and Implementing a Differentiated Instruction Action Plan based Upon the Data and Establishing a Process to Monitor the Success of the Plan</li> <li>➤ <b>Day Six:</b> Full Staff In-service on the Differentiated Instruction Strategies Embedded in the Plan</li> <li>➤ <b>Day Seven:</b> Mid-year Review</li> <li>➤ <b>Day Eight:</b> End-of-the-Year Evaluation and Strategic Planning for Next Year</li> </ul>
<b>Onsite Coaching</b>	In between the eight days of in-services, TEP coaches will be working once or twice a month with your team members both collectively and individually to help insure a smooth implementation and execution of your program.
<b>Principal Coaching</b>	In addition, TEP includes one or two days of principal coaching a month

### A Data Seminar Packages

	<p>around your differentiated instruction goals. Our coaches will work with your district and building administrators to help them envision what a successful implementation process should look like at both the district and building levels and help your administrative team to put the systems in place to make successful implementation a reality.</p>
<b>Extended Offerings</b>	<p>Research shows that it takes at least five years for a system to become institutionalized. Therefore, TEP offers multi-year professional development packages. We feel this is the best possible approach for both of us. Therefore, we provide additional services at no additional cost if you select this option. To learn more about this and other offerings please contact us.</p>
